Bennet Creek
drain -

The petition laid over by last
Council in the carrying through
of Sec 6. of Bennett Creek drain
was taken up. Messrs Silas Norris
of Christie and of Lane altho not
opposing the work objected to its
being carried through on the plan
of Survey as made by Mr Latimer
contending that they were assessed
for a larger area of land to be improved
than they were entitled to - and
required a resurvey of their respective
lands by another surveyor -

As it was the desire of all parties
that the drainage scheme in full
should be adopted - It was moved
by John Cunningham seconded by
John Heard, That the matter be
laid over till the next meeting
to be held on the 11th Feby so as to
enable all the parties interested to
come to an unanimous agreement
amongst themselves on the
several points in dispute and

Bennet Creek
drain business
left over till
next meeting

bring in a petition for the construction of drain in full. This motion having met the approval of all concerned was carried -
